## Community Fun Day!

Local groups work together to  
put on community event

at Macers Court, Wormley  
(behind the Community Centre)  
Saturday 2nd September 2 - 5pm

Free  
Fun  
Day

FREE family fun—what a perfect way to end the summer holidays! On Saturday 2nd September, Macers Court will play host to an afternoon of family activities at an event devised by a collaboration of community groups and businesses. An idea for a community get-together, originally proposed to WTBL by Rev. Malcolm Finlay from St Laurence and St Augustine's Churches, has been combined with a suggestion from local instructor Toni Brennan for a fitness fun day. Hertfordshire sports providers GC Sports have also agreed to support the event, providing football and outdoor games for the kids led by a professional coach. Little princesses might like to have a photo taken with Elsa, there will also be a bouncy castle, glitter tattoos, a magician and sample 'bootcamp' sessions from Toni! A buffet meal will be available throughout the afternoon, and the event will move into the Community Centre in case of bad weather. Come along and join the fun—everyone welcome!

## Grow Wild—Flowers to the People

This fabulous photo of the flowers Helen grew from the one of the seed kits WTBL received from Kew Gardens earlier this year popped up on our Facebook feed this week!

My geraniums intermingled with the Kew plants provided by the Hub. Ta.

***We'd love to see any more blooms grown from the kits!***

## WTBL Afternoon Tea to raise funds for Macmillan 29 September 2—5pm

Friday September 29th is the date for this year's 'World's Biggest Coffee Morning' event, the annual fundraiser for Macmillan Cancer Support. Macmillan's work, providing nurses, advice and funding to care for those facing cancer, is absolutely vital in every community. WTBL will be participating by holding an **afternoon** event on September 29th. Pop in between 2 and 5pm for a cuppa and a piece of cake, and in exchange drop a donation to Macmillan into our collection box.

***If you would like to volunteer to help with this event—either by baking a cake or by serving tea—please get in touch (all contact details below)***

## SEPTEMBER OPENING TIMES

**CRAFT EVENTS** The summer holidays have been a busy time in the hub; it has been great to meet more local families who have dropped in to create something beautiful at the craft table, or attended the plasticine modelling workshop. Thank you to WTBL volunteers Evie and Beccy, for running the plasticine event and providing expertise and inspiration.

Model making

September is always a month of new starts and so it is no surprise that WTBL will be 'out and about' over the next few weeks, engaging in a range of events both in and for the community. As a result, opening times at the Hub will vary, so check our website, social media, the Hub door or give us a call on 07503 390649 for up to the minute info.

WTBL will have a stall at the HRC Freshers Fair on Tuesday 5th September

## ALL ABOARD THE ART BUS!

An innovative new classroom space has won sponsorship from WTBL. The grant has contributed to the cost of a double decker London bus, which has been stationed in the grounds of Wormley Primary School. The banner across the front of the repurposed vehicle invites pupils to 'climb aboard and create' as the bus will be used as a unique art studio! **Watch this space for pictures of the official opening of the bus early in the Autumn.**

## Do you know a couple who have been married for 70 years?

The 20th November 2017 will be the 70th (platinum) wedding anniversary of Her Majesty The Queen and His Royal Highness Prince Philip, the Duke of Edinburgh. The Council would like to trace couples within the Borough of Broxbourne who are also celebrating 70 years of marriage and give them local recognition with a visit from the Mayor. If you know of any couples who were married in 1947 please contact Karen Hughes, the mayor's secretary, with a brief story of their married life, on 01992 785655
