## Love Your Community

### **There's Value Here - Community in Photographs**

With Valentine's Day fast approaching, WTBL are asking you to 'Love Your Community' and have commissioned artist and partnership member Rosanna McKenna to undertake a project to tell the story of our community.

'There's Value Here' is an on-going piece of work based on memories, stories and values of community through images and recordings. On 16th February, the project will be launched with an 'Activities Evening' at Wormley Community Centre. We would love as many local people as possible to come along to share ideas, thoughts and memories of the area.

### **Half Term Photography Workshop**

Rosanna will be holding two half-term photography workshops in Wormley Community Centre, running from 1 to 3pm on Tuesday 13th and Wednesday 14th February. The sessions are free to attend; you just need to bring along a smart phone and/or camera. Participants will be invited to submit photos for the Friday event and on-going Community project.

The workshop is open to all ages but children under 14 need to be accompanied by an adult. No need to book - just turn up!

### **New footbridge to make the Slipe Lane Level Crossing safer**

Walkers and cyclists will soon be able to access the Lea Valley Park at Slipe Lane via a brand new footbridge, which Network Rail believes will make crossing the busy line far less dangerous. Installation of the bridge began in November with large chunks of the structure arriving on lorries during late January. The bridge incorporates both stairs and ramps and new pathways are now being constructed to connect the bridge to existing routes.

# Hub News

**Half Term Craft** The Hub will be open for two drop-in craft sessions over half term from 10 -11.30am on Tuesday 13th and Wednesday 14th February. The craft activities will have a seaside theme. Children must be accompanied by an adult, cost 50p per child.

**Visit from the Local Trust** Local Trust CEO, Matt Leach, visited WTBL in January for an informal chat over a cuppa! There was a good turn out of residents and Partnership members who were able to tell Matt more about our project and take him for a walk about the area. He was very interested in the work that is going on and pleased with the progress being made.

## Friendship, Laughter and Chair Yoga herald the New Year for MS Group

### PARTNERSHIP MEMBER SEEMA RAJANI REPORTS FROM MS SUPPORT GROUP

The MS group has continued to meet and grow in the new year. Although several people were unable to attend the last meeting, the group still met to maintain their routine, which is often important for wellbeing. Chair Yoga instructor, Lucy Stimpson came to the meeting and led the group through some small, simple movements, which can enhance mobility, energy and positivity levels. Local photographic artist, Rosanna McKenna, caught the participants in action. The group welcomes new members who might like the opportunity to share the support, experiences, and laughter that the circle has provided.

Meetings take place on a Thursday afternoon - for more details contact Seema 07946138314 or pop into the Hub.
