How will we get there?

WTBL have hired a coach which will leave Wormley Community Centre at 8am and we aim to be back at around 2pm. The Community Centre is the ONLY pick up and drop off point and we will leave promptly so please be on time!

What do I need to bring?

You need to bring a packed lunch as we are not providing refreshment. There may be time for a browse in the shop or a coffee so you might want to bring some money, This trip is FREE - however if you would like to make a small contribution to the cost of the coach it would be welcomed.

Why are WTBL organising this trip?

Firstly because it is a great opportunity to see inside one of the most instantly recognisable buildings in London! More importantly, it will help to inspire, engage and connect people with parliamentary democracy. For many of us, the process of government is quite mysterious so what better place to learn more? Finally we hope that by bringing people with a common interest together we can start to build another platform for community in our neighbourhood.
